SUSTAINABILITY STUDENT EXPERIENCE FUND

Inspire Impact Through Experience

The Sustainability Student Experience Fund (SSEF) provides financial support for a wide range of student activities that enhance learning and professional development in Sustainability. By supporting this fund, you help Schulich students participate in immersive, real-world opportunities that enrich their education.

Your support helps students develop the knowledge, perspective, and leadership skills they need to expand their learning and drive positive change in their future organizations and communities.

Sustainability Student Networking Event with Industry Practitioners

How Your Gift Makes a Difference

Your gift provides funds to support impactful student experiences complementing classroom learning, including opportunities to:

- Participate in case competitions, conferences, and international forums featuring industry leaders and guest speakers.
- Engage in experiential study tours to sustainability-driven organizations.
- Support student-led initiatives aligned with Schulich's commitment to responsible business.
- Foster networking opportunities with alumni and sustainability professionals.

Why Support the SSEF?

Your contribution helps to:

- Develop future leaders in sustainability, ESG, and responsible business.
- Expand access to transformative learning experiences.
- Support Schulich's mission to develop purpose-driven leaders.
- Create a community committed to advancing a more sustainable and equitable world.

Ways to Give

- Online
- EFT and wire transfer
- Cheque
- Benevity and Employee giving programs
